

TŰZ, FÖLD, VÍZ, LEVEGŐ....

Az ember visszatérő kérdései

Megismerhető-e a világ?

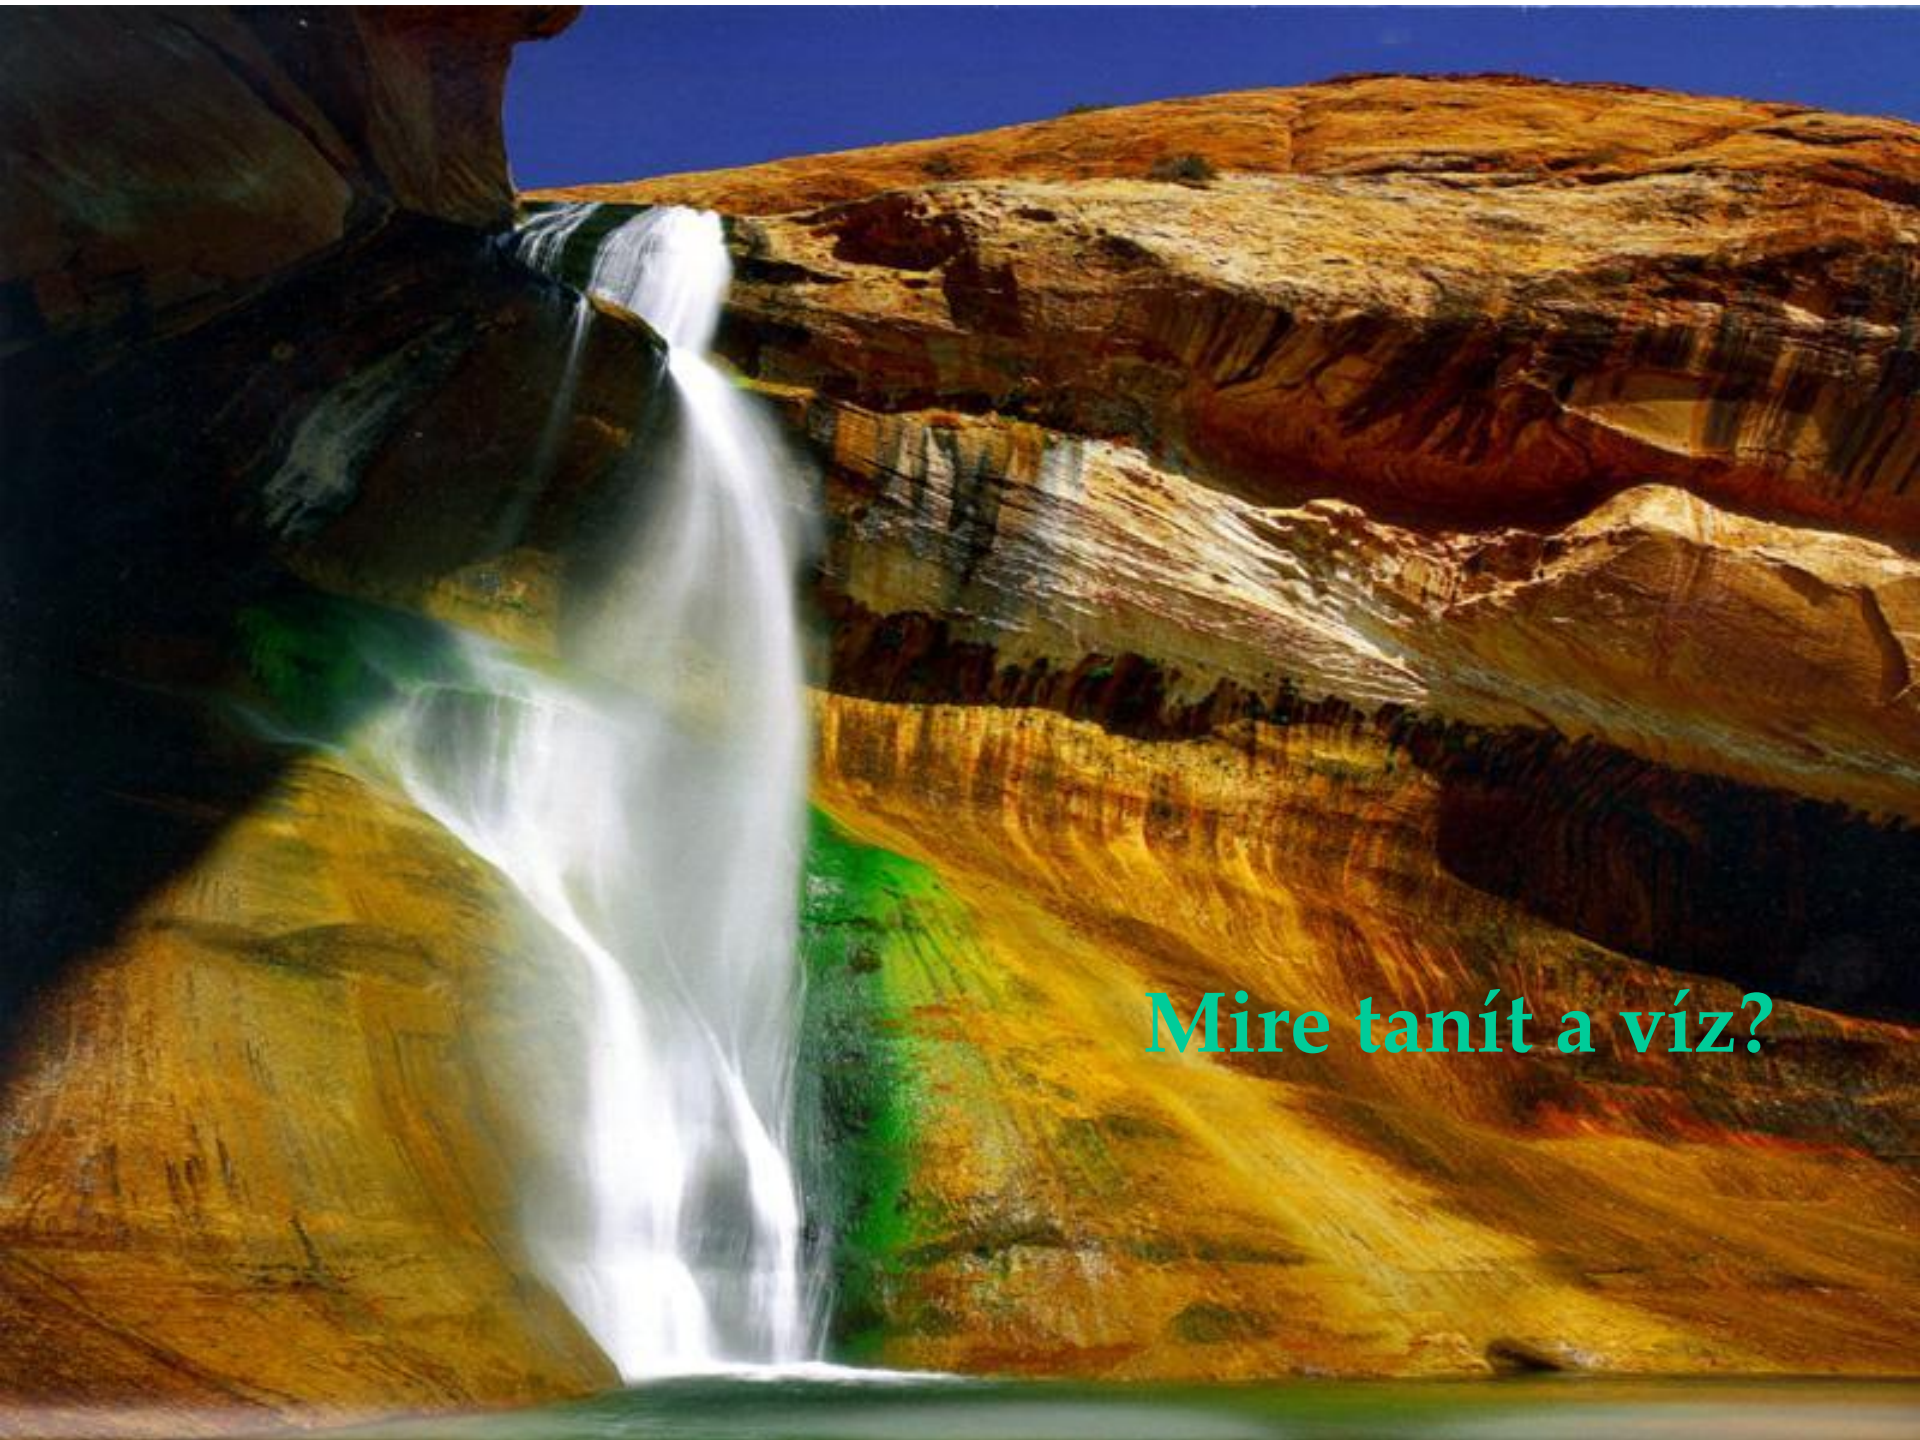

**Ki vagy mi áll a világ
középpontjában?**

**Milyen elemei alkotórészei
vannak a világnak?**

A scenic view of a river flowing through a canyon with red rock walls and green vegetation under a blue sky. The river is the central focus, winding through the canyon and creating small waterfalls. The rock walls are layered and show signs of erosion. The sky is bright blue with some light clouds. The overall atmosphere is peaceful and natural.

Hogyan lehet előbbé tenni világot?

Mi az én személyes feladatom, küldetésem egy szebb világ megteremtésében?

Mire tanít a víz?

**Minden irányból
körülvész
bennünket.**

A photograph of a waterfall cascading into a pool of water. The waterfall is the central focus, with water falling from a dark, rocky ledge. The water is white and frothy as it falls. The pool of water at the bottom is a deep green color. The background is a dense forest of green trees. The top of the image is framed by large, bright green leaves, likely from a tree in the foreground. The text "Alakját képes változtatni" is overlaid on the waterfall in a yellow, serif font.

Alakját képes
változtatni

A scenic view of a lake with white mineral deposits on the shore and in the water, reflecting the sky and the surrounding landscape. The water is calm, creating clear reflections of the white mineral structures and the blue sky. In the foreground, some reeds are visible in the water. The background shows a range of mountains under a clear blue sky.

**Ne magadat tartsd a legfontosabbnak,
hanem azt,ami általad lesz!**

Mire tanít a levegő?

A photograph of a snow-capped mountain peak, likely Mount Everest, under a bright blue sky filled with scattered white clouds. The mountain's peak is the central focus, with snow covering its slopes and some rocky outcrops visible. The clouds are fluffy and vary in size, adding texture to the sky.

**Nem mi hozzuk létre, nem ismer
határokat, nem lehet kisajátítani!**

Be kell lélegeznünk, hogy kiadhassuk!

Mire tanít a tűz?

A photograph of a forest scene at sunset or sunrise. The sky is a vibrant orange and yellow, with the sun low on the horizon, creating a strong glow. The trees are silhouetted against the bright light. In the foreground, a river flows, reflecting the warm colors of the sky. Two deer are visible in the water, one on the left and one on the right, looking towards the camera. The overall mood is serene and natural.

**Az ember életben
maradásához
elengedhetetlen!**

**A világ világossága általa
biztosított**

A photograph of a bird perched on a thin branch against a warm, golden sunset background. The bird is silhouetted against the bright light, with its wings slightly spread. The background is a soft, hazy glow of orange and yellow, suggesting a sunset or sunrise. The overall mood is peaceful and contemplative.

**Ellentéteket, feszültségeket szíthat,
de az otthon melegét is adja!**

Mire tanít a Föld?

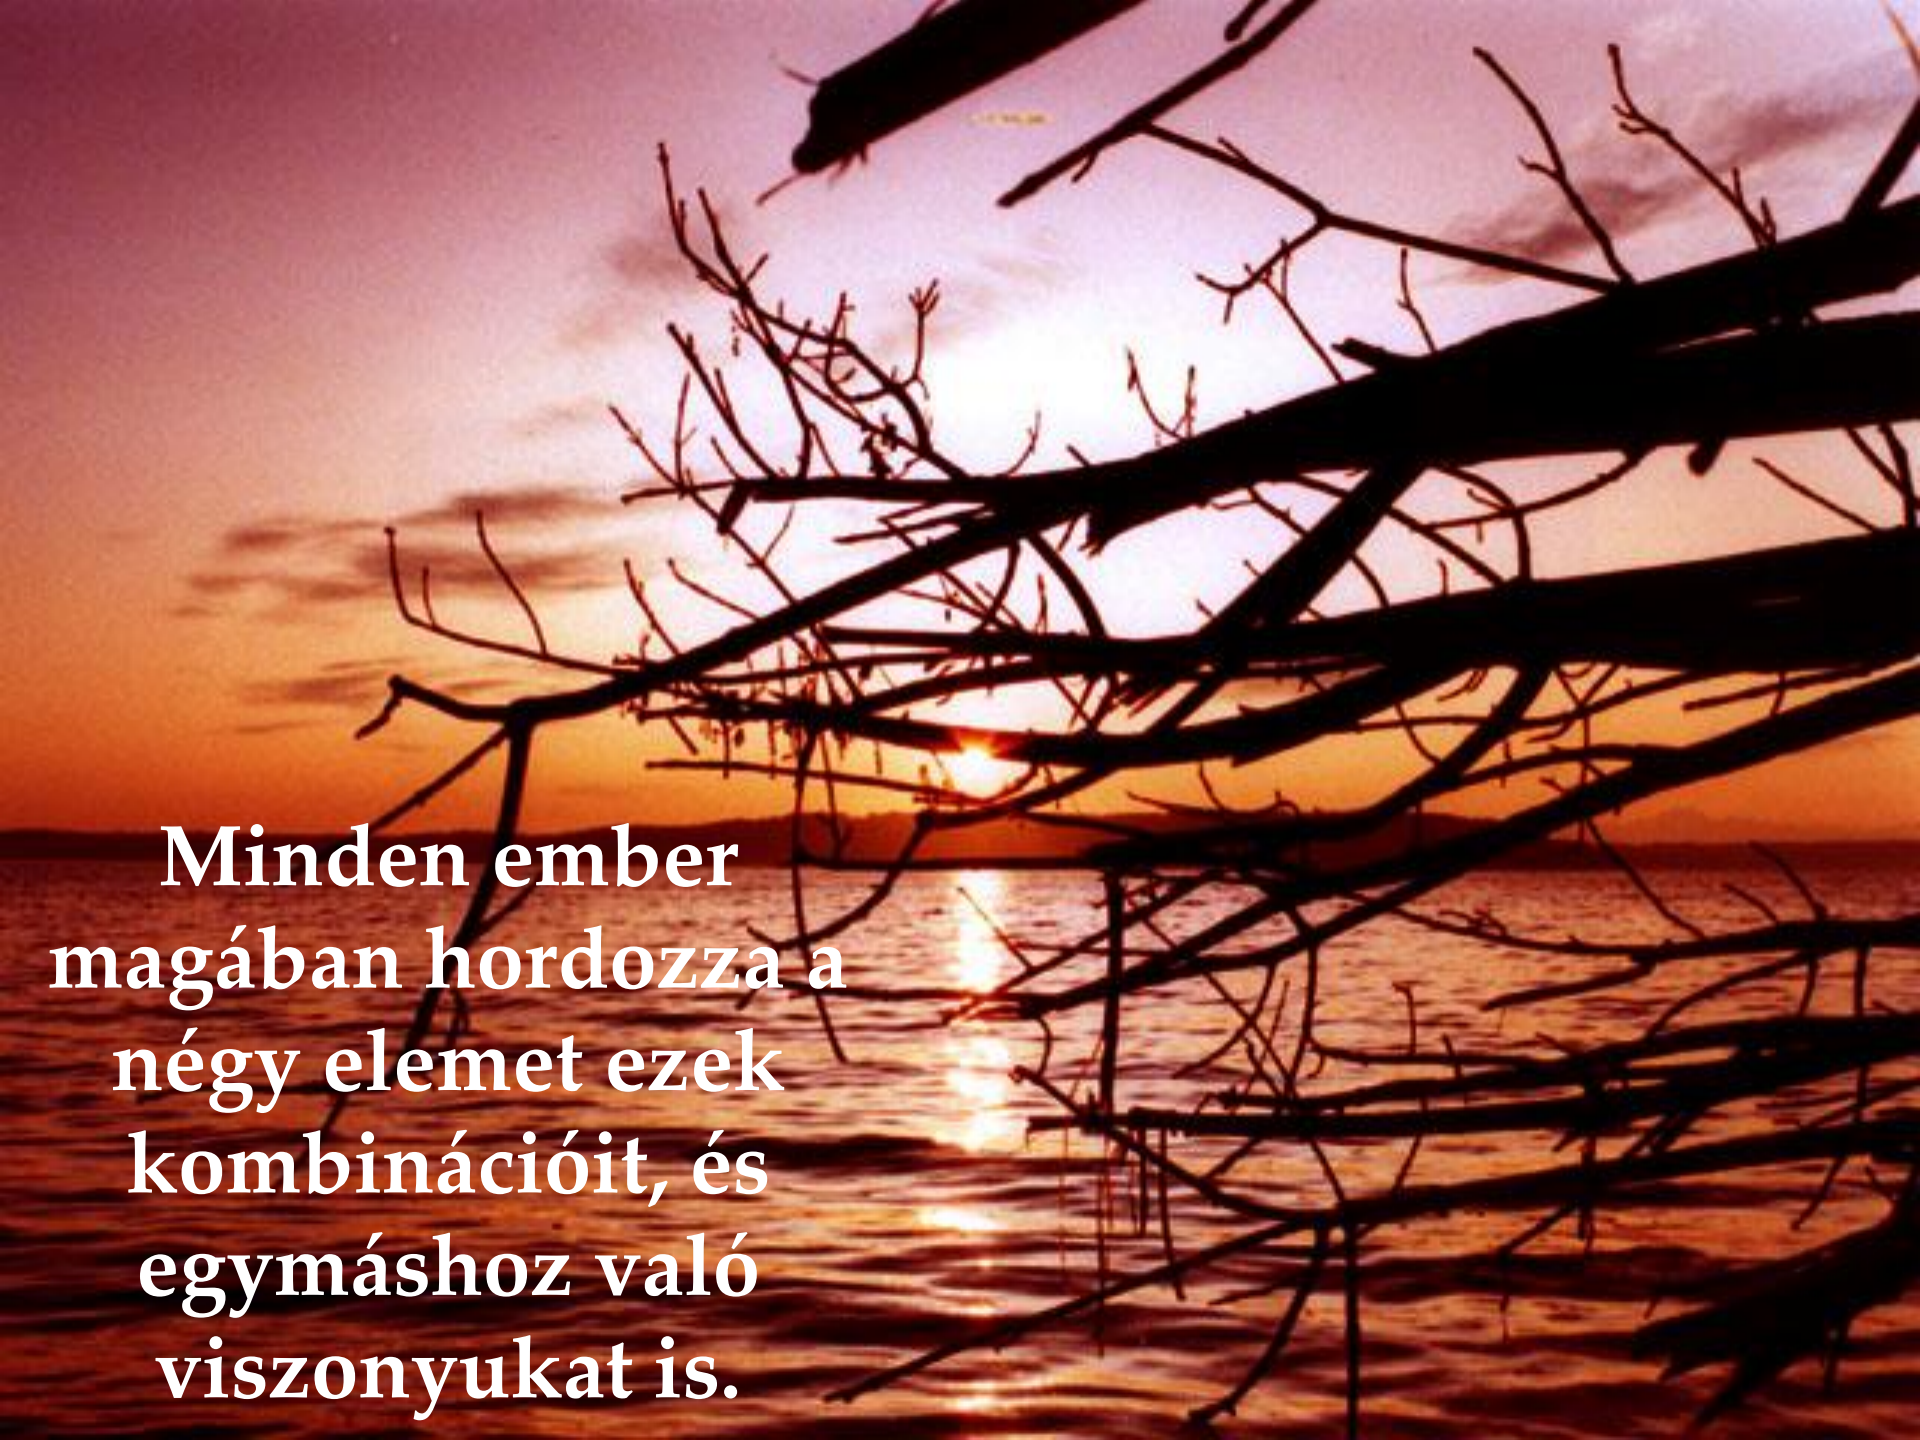

Szükségünk van rá, mert hordoz, megtart

**Kell lenni egy helynek,
amely az otthonunk,
ahol megtelepedhetünk!**

A scenic view of a sandy path leading to the ocean at sunset. The path is flanked by tall grasses and a wooden fence. The sky is filled with soft, colorful clouds in shades of orange, pink, and purple. The ocean is visible in the distance, and the overall atmosphere is peaceful and serene.

**Földön járó emberek legyünk,
de soha ne földhöz ragadtak!**

A sunset over a body of water with silhouetted branches in the foreground. The sun is low on the horizon, creating a bright orange glow and a reflection on the water. The sky is filled with soft, pinkish-orange clouds. The foreground is dominated by dark, intricate silhouettes of bare tree branches, some thick and some thin, crisscrossing the frame.

**Minden ember
magában hordozza a
négy elemet ezek
kombinációit, és
egymáshoz való
viszonyukat is.**

Arra kell törekednünk,
hogy ezek, harmonikus egységben
legyenek egymással!
